Fog Theatre

Fog Theatre* is a performing arts program for adults with disability managed and delivered by Vitae Veritas Pty Ltd, a not-for-profit arts organisation.

Fog Theatre participants explore and develop skills in drama, acting, singing, improvisation, script, dance, movement and choreography in a socially, creatively and culturally inclusive, safe and welcoming environment.

Fog Theatre participants are also provided opportunities to perform in productions, films and live events, collaborating with other professional artists and companies in a variety of settings, public and online domains e.g. festivals, theatre venues, community & industry events.

Fog Theatre meets one day a week on Thursdays from 11.00am to 3.00pm at a wheelchair accessible venue during Victorian School terms (see 2022 Term Dates).

Fog Theatre is managed and supported by highly qualified disability arts practitioners and specialists. The team is comprised of Nilgun Guven (CEO & Artistic Director) and David Maney, Rachel Edward and Marjetka McMahon-Krizanic (Disability Arts Support Workers).
